OUTSIDE LIVING SURROUNDED BY NATURE The property is accessed through an electronic fence, which provides added security and privacy., you will be surprised by the size of the lot that is hidden behind this fence. While you still feel part of a community you don't have the burden of the noise nor the rush. Layout of the lot. This property is seen to divided into 3 seperate places where you can retreat, make an income, or use for yourself. The lot with his 973m2 is bigger than most is this area and still a lot of space is still unused. with a tiny house and a main house in the back it is possible to built a house up to 150m2 while living on your property too. Description The tiny house at the front of the lot is described as having a basic kitchen, with space for a refrigerator, freezer, and comes with a and cooking top. The bedroom is air-conditioned, which is important in a warm climate. With all natural products that
