Description Well maintained detached house with 1 bedroom and a spacious porch with panoramic views. There are also 2 studios that are attached to the house. The house was modernized 2-3 years ago and made ready for long term rental. The main house was previously a studio and a one bedroom apartment, which could easily be returned to this capacity if needed. The main house also has the possibility to expand into a 3 bedroom house. Layout You enter the house through the front of the house and you immediately enter the cozy living room with tiled floor. If you continue, you will reach the kitchen (2018), which also offers space for a dining room table. The kitchen also has its own exit to the garden. From the living area you enter the kitchen which also provides access to the bedroom and bathroom. The bedroom has air conditioning, which is rarely used. The bedroom is well on the
